PROFESSIONAL SUMMARY

Frontend Developer with 2 years of experience building production React.js and Next.js applications. Skilled in component-driven UI development, state management (Redux Toolkit, Context API, Zustand), and REST API integration. Experienced converting Figma/UI designs into responsive, pixel-accurate, and SEO-optimized interfaces using TypeScript and Tailwind CSS. Comfortable working across the full frontend lifecycle from design handoff to deployment.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), TypeScript, HTML5, CSS3

Frameworks: React.js, Next.js (SSR/SSG), React Hooks

State Management: Redux Toolkit, Context API, Zustand

Styling & UI: Tailwind CSS, CSS Modules, Responsive & Mobile-First Design

APIs & Backend Services: REST APIs, Firebase, Supabase, JSON, Asynchronous Data Fetching

Tooling & Workflow: Git, GitHub, VS Code, Postman, npm

Performance & SEO: Next.js performance optimization, Core Web Vitals, on-page SEO

PROFESSIONAL EXPERIENCE

Associate Frontend Web Developer - SachTech Solution Private Limited October 2024–August 2026 | Mohali, Punjab

Career progression: Frontend Developer Intern → Associate Frontend Web Developer

- Developed and shipped production web applications using React.js and Next.js, covering responsive UI development and end-to-end application functionality.
- Designed and built a reusable component library, reducing repeated frontend implementation across features and improving UI consistency.
- Converted UI/UX designs into pixel-accurate, responsive interfaces across desktop and mobile breakpoints.
- Integrated REST APIs and implemented asynchronous data flows to power dynamic, data-driven application features.
- Implemented application state management using Redux Toolkit, Context API, and Zustand across multiple projects.
- Built responsive, accessible interfaces using Tailwind CSS and CSS Modules.
- Optimized Next.js applications for performance, load speed, and SEO using SSR/SSG rendering strategies.
- Collaborated with designers, backend developers, and product teams using Git, GitHub, Postman.

EDUCATION

Bachelor of Computer Applications (BCA)

August 2023–May 2026

Panjab University • CGPA: 7.2/10 (72.6%)
