

PALAK DHALIWAL

FRONTEND DEVELOPER | REACT.JS | NEXT.JS | JAVASCRIPT / TYPESCRIPT

Email: palaknancy51jbd@yopmail.com • Phone: +91 83600 55051

PROFESSIONAL SUMMARY

Frontend Developer with nearly 2 years of professional experience specializing in **React.js and Next.js** development. Strong foundation in modern JavaScript/TypeScript, component-driven UI development, state management, and API-driven applications. Experienced in turning product designs into scalable, responsive web interfaces with a focus on **clean architecture, maintainability, performance, and user experience**.

PROFESSIONAL EXPERIENCE

Associate Frontend Web Developer

SachTech Solution Private Limited | October 2024 – July 2026

Career progression: Frontend Developer Intern → Full-Time Frontend Developer

- Developed production web applications using **React.js and Next.js**, working across responsive UI development and application functionality.
- Designed and developed **reusable UI components** to maintain consistency and reduce repetitive frontend implementation.
- Converted UI/UX designs into **pixel-accurate, responsive interfaces** across desktop and mobile screen sizes.
- Integrated **REST APIs** and implemented asynchronous data flows for dynamic application features.
- Implemented application state management using **Redux Toolkit, Context API, and Zustand**.
- Built responsive interfaces using **Tailwind CSS and CSS Modules**.
- Worked on **Next.js performance, loading speed, and SEO optimization** to improve the overall application experience.
- Used **Git, GitHub, Postman, and VS Code** as part of the day-to-day development workflow.
